NATURE PROGRAMS

FOR SUMMER READING

PROGRAM THEMES

- **Birding in the Books** : Observe and appreciate the beauty of birds.
- **Bookworms & Ugly Bugs** : Explore the roles that insects play in their community.
- **Creature Characters of the City** : See how urban wildlife make themselves at home.
- **How to Make it as a Mammal** : Uncover the secrets to survival from our furry friends.
- **Reading Reptiles** : Compare and contrast real reptiles and amphibians.
- **Seed Stories** : Follow along on the journey of a seed.

HANDS-ON PROGRAMS

For small groups, we can bring live animals, touchable biofacts, stories, and activities related to the theme.

Maximum 35 people.

AUDITORIUM-STYLE

For larger groups, there will be less hands-on activity, but may still include live animals.

Maximum 50 people.

Latta Nature Center - McDowell Nature Center
Reedy Creek Nature Center - Stevens Creek Nature Center
